- University | A faculty member may be given assigned WTU for activities that give primary emphasis to the evaluation of a student’s knowledge and skills rather than upon the instructional process by which the knowledge and skills are required. Such activities include:  
a. Credit by evaluation of prior experiential learning (e.g. based upon evaluation of a portfolio of materials).  
b. Credit by examination (where the examination is generated and evaluated in whole or in part by the campus), including comprehensive and challenge examinations.  
The characteristics of evaluation activities that should be treated as part of the regular instructional program involve 1) regularly enrolled students, and 2) a substantial effort on the part of the faculty member to perform any of the following tasks: |
